Belting out great Rock and Pop tunes with people who will rapidly become your friends is one of the greatest pleasures of being part of Rock Chorus. You don't have to be an accomplished singer or even have to read music - All of the songs we rehearse are available for you to download from our website so you can practise at home between rehearsals.

Lauren says, "Singing is one of the strongest glues for encouraging positive community development - We want people to come because they love singing, enjoy the experience and want to make new friends, simple as that - It's the most fun you can have standing up and good for your health - there aren't too many things you can say that about."
