Meets:

**Hi Paul, please tell our readers about yourself...**

My name is **Mr Paul Adams** (Mr as I am the old guy lol), I have been performing for over 20 years as a solo artist and as part of numerous duo's and bands (**Little Bird**, **Hit n Run**, **InDefinately**). Many people recognise me but can't place me - I was the Bingo Man!

**What has been your biggest highlight so far this year?**

My biggest highlight as a performer this year, I played a few sets at Pinewood Studios (home of James Bond, and Star Wars), - And of course HOTC :-)

**How do you feel about being invited to perform at Hobble on the Cobbles this year?**

I played the HOTC main stage in Market Square last year as part of **Little Bird** and have been asked back as a solo artist, so I am very excited to be playing on the DreamChaser Stage.

**Is there anything you would like to share with our readers?**

I have my debut album being released on 24th August to coincide with HOTC. It's called **20 Odd Years** (funny because that's how long it's taken to make) and will include my singles 'Our Allegory' and '21st Century'.

Also the reunion tour of the original line up of **InDefinately**..!?

**What else are you looking forward to this year?**

**Hobble Off The Cobbles** later on after HOTC, at Shoot Pool, and presenting **SinFiction** on the next 'Hit The Headliner'.

**What other bands are you following at the moment?**

Wow. I promote local musicians as part of **DreamChaser Entertainment**. We have lots of artists within our community and many are playing HOTC! - the big ones to watch in Market Square are **Callow Saints**, **SinFiction** and **Without Reason**. We have so much talent to choose from that I couldn't pick a favourite.

**What has been the most embarrassing live moment so far in your career?**

**Is there anything you can tell us?**

Haha, the biggest one was when ***!nDefinately*** toured the Xmas Light's circuit round various parts of the country. Crowds would eat out of our hands cheering and screaming on demand. One night I shouted "*Bracknell make some noise!*", I got nothing... We were in Hemel! I haven't been back since :-)

**Is there anything else you would like to add?**

Big thanks to Stuart Robb and the team for allowing DCE to be a part of the biggest musical event of the town - for a second year. We really appreciate the support.

Please buy the album available at iTunes, Google & Amazon, and of course on CD on the day.
